

11 REASONS TO DO BUSINESS WITH US

HALVORSEN USA

- ✓ NO HASSLES
- ✓ NO HEADACHES
- ✓ YES HALVORSEN!

WORKING WITH HALVORSEN CAN SAVE YOU TIME, HEADACHES AND MONEY

- 1** We have over 60 years of heavy plate fabrication, engineering, and ASME code experience.
- 2** We manufacture fabrications of the highest quality, which eliminates rework, back charges, and costly delays.
- 3** We stand by our work, which ensures you will not incur additional fees after the completion of a project.
- 4** When requested, certified third-party inspections are included in your quoted price, which eliminates potential delays in scheduling, and assures you of an independent, qualified level of inspection.
- 5** We accommodate your needs and offer flexible production scheduling.
- 6** Our experienced "hands-on" engineering provides the talent needed to manage complex fabrication projects.
- 7** We deliver to the end-user if required, so you don't have to manage freight logistics.
- 8** We are a single source, one-stop shop for your turnaround/shutdown project requirements, which reduces your vendor management costs.
- 9** We meet our quoted delivery times, which enables you to maintain project timelines while avoiding customer downtime.
- 10** We conduct multiple work in-process quality checks, which prevents rejections due to quality issues, eliminating rework, project stoppages or delays.
- 11** Halvorsen is a strong technical resource saving you the time and cost in obtaining technical information.
